### **Fee Schedule**

**Fees, Payment and Billing:** Payment for services is an important part of any professional relationship. This is even more true in therapy; one treatment goal is to make relationships and the duties and obligations they involve clear. You are responsible for seeing that my services are paid for. Meeting this responsibility shows your commitment. Payment methods include check, cash, credit card, or debit card. My billing and contract negotiations with insurance companies is managed through Headway so your bill may reflect different rates of charge.

My current regular fees are as follows: \$125 per 50-60 minute session.
